Running events will go in the order listed. Because of the different number of heats required for various events, an exact starting time for each event cannot be predicted. We will begin each event as soon as the previous one is completed—so have your people ready. Be aware that some events may not have any women entered, so we will move directly to the next men's event.

All events 400 meters or less will be run in heats against time.

Batons and starting blocks will be provided.

The Men's and Women's 1600 Meters will be run together as will the Men's and Women's 3200 Meters

(if possible).

Starting heights for the High Jump will be as follows: Men – 4’10”, Women – 3’10”.

No spiked shoes of any kind will be allowed, including spike shoes with the spikes removed!!!

Please contact Lynn Imergoot or the IM Office (935-5193) if you have any questions.
